Madam:

As discussed with the Examiner on June 28, 2006, the Office Action mailed on February 7, 2006, does not address the claims currently pending in the application. The Office Action acts upon claims 1-34; however, these claims were canceled with the Preliminary Amendment filed on August 29, 2003. Moreover, the Office Action does not address claims 35-37, which were added with the aforementioned Preliminary Amendment. A new Office Action is thus requested, that acts upon pending claims 35-37

Respectfully submitted,
